PROFESSIONAL EXPERIENCE

All Screen Solutions,Tikathali, Lalitpur
UI/UX Designer (Full-Time) | February 2026 - October 2026

- Redesigned large-scale multi-feature systems including Mero Dokan (208 screens) and Mero Billing (489 screens) to resolve inconsistent UI patterns across both platforms
- Designed key product modules including landing pages, sidebar popups, and brand assets (logos, marketing materials, and print collateral) across multiple products

Careinfo Solutions,Maitidevi, Kathmandu
UI/UX Designer (Full-Time) | December 2024 - April 2025

- Designed an accounting platform UI based on live client feedback gathered during weekly requirement calls
- Designed responsive UI for 3 logistics and business platforms (Careinfo, Theggo, Kontract) and built scalable UI components to reduce repeated design work

Treeleaf Technologies,Sankhamul, Kathmandu
UI/UX Designer (Intern) | April 2024 - July 2024

- Designed Treelytics (Dashboard, Data Source, Data Table, Query Builder, Settings) to make data-heavy interfaces scannable and simplify multi-step workflows

Hyberlab IT Solutions,Kathmandu
UI/UX Designer (Intern) | February 2024 - April 2024

- Created wireframes and interactive prototypes from product requirements to align stakeholders and developers before development began

EDUCATION

Bachelor of Computer Engineering - Nepal Engineering College (Changunarayan, Bhaktapur)
